

**PRESS RELEASE:**

**Cook County Lumber becomes distributor of CertainTeed Fiber Cement Siding**

**Chicago, IL -- July 18, 2008** – Cook County Lumber is pleased to announce that we are now distributing CertainTeed Fiber Cement Siding. CertainTeed Fiber Cement Siding products are manufactured using 30% post-industrial recycled fly ash and fit within our green initiative to incorporate environmentally friendly products. In addition, the 30% post-industrial content can help contribute to LEEDS and NAHB credits. Cook County Lumber will have a wide variety of patterns, both primed and with Colormax™ treatment for your preference. Please contact your Sales Representative for additional information.
